NOTIFICATION

(For Corporate Members only)

In continuation with this Institute earlier Notice vide No: 2026-27/183, dtd. 06-10-2026, it is notified that the 68th Annual General Meeting (AGM) of the Institution of Engineers (India), Assam State Centre will be held on 30th October, 2026 at 05-30 p.m. at its New Auditorium as per the following Agenda.

AGENDA

1. Welcome Address by the Hony. Secretary.
2. To confirm the minutes of the 67th Annual General Meeting held on 29th October 2025, in the auditorium of the Institution at Panbazar, Guwahati-781001.
3. Deliberation on the 68th Annual Report for the year 2025-2026 for approval.
4. Deliberation on the Audited Accounts for the year ended on 31st March, 2026 for approval.
5. Discussion for Appointment of Auditors for the year 2026-2027 and to fix their remuneration.
6. Closing remarks by the Chairman.
7. Vote of thanks by the Hony. Secretary

All the corporate members attached to Assam State Centre are requested to attend the meeting.

15th October, 2026
Guwahati-1

Er. Gokul Bhuyan FIE
Honorary Secretary

Copy to: (1) Chairman for favour of information.

(2) Website

Note:

1. Members who desire to have any information or to ask any questions are requested to send the same to the Hony. Secretary latest by 23rd October, 2026 so as to enable him to keep the details ready.
2. Members wishing to recommend the name of the Auditor other than the present firm are requested to send the names mentioning their remuneration desired by such auditors to the Hony. Secretary latest by 23rd October, 2026.

**Minutes of the 67th Annual General Meeting of
The Institution of Engineers (India), Assam State Centre held on 29th October 2025.**

The 67th Annual General Meeting of The Institution of Engineers (India), Assam State Centre, was held on 29th October 2025. The meeting was attended by a large number of Corporate members, including Past Chairman and Hony. Secretaries. The Chairman of the State Centre, Er. Mahesh Barkataki FIE presided over the meeting.

1. At the outset, the Hony. Secretary Er. M Mishra FIE welcomed all the members present.
2. The minutes of the 66th Annual General Meeting held on 28th October 2024 were read out by the Honorary Secretary and subsequently confirmed in the meeting.
3. The Hony. Secretary presented the 67th Annual Report for the session 2024-2025, after due deliberation the Report was approved by the members attending the AGM.
4. The Hony. Secretary presented the Annual Audited Accounts for the financial year 2024-2025. After a threadbare discussion the members attending the AGM approved the accounts.
5. The members discussed about the appointment of Auditor for the year 2025-2026. After a discussion the members agreed to appoint Chartered Accountant firm, viz M/s RAKCHAMPS & Co. LLP as the Auditor for the year 2025-2026 since the entire accounting system has been computerized, the annual remuneration to the Auditor has been fixed as Rs.30,000.00 (Rupees thirty thousand) only for auditing the accounts.
6. The Chairman, Er. M Barkataki FIE while delivering his remarks emphasized the need for pragmatic approach for overall development of the Institution. Support, co-operation and active participation from all the corporate members were also solicited.
7. The result of the election to the State Committee Members for the year 2025-2026 & 2026-2027 were announced in the meeting. The following members are elected to the State Committee

Civil Engineering Division	:	Er. SubhaBrata Sarmah FIE Er. Jayanta Kumar Medhi FIE Er. Dilip Sarmah FIE
Mechanical Engineering Division	:	Er. Suradas Bhattacharjee MIE Er. Hemandra Kumar Barman MIE
Chemical Engineering Division	:	Dr. Plabon Bora MIE
Electrical Engineering Division	:	Er. Trailoyka Bora FIE Er. Jatin Bordoloi FIE
Electronics and Telecommunication Engineering Division	:	Er. Satyajyoti Nath AMIE
Environmental Engineering Division	:	Dr. Sarad Bhaurao Gokhale FIE
Agriculture Engineering Division	:	Er. Dilip Kumar Sarma MIE

A new State Committee headed by Er. Bhaben Kalita FIE as Chairman and Er. Gokul Bhuyan FIE as Hony. Secretary took over the charge from the retiring committee in the AGM. Er. Bhaben Kalita, in his address appealed the Corporate Members to visit the Centre and think of more lively activities with new ideas and suggestions for the future. He also sought active co-operation to the new State Committee

8. The meeting was ended with a vote of thanks to the chair and corporate members.

Er. Bhaben Kalita FIE
Chairman

Er. Gokul Bhuyan FIE
Hony. Secretary

The Institution of Engineers (India)

ASSAM STATE CENTRE : GUWAHATI
67th ANNUAL REPORT

The Institution of Engineers (India), Assam State Centre Committee takes great pleasure in presenting to the members the Report for the year 2025-2026.

I. MEMBERSHIP

The following table gives the statistics of the Membership.

Class of Members	As on 31-03-2025	As on 31-03-2026
Corporate Members	2625	2653
Student Members	8776	8776
	11,401	11,429

II. STATECENTRECOMMITTEE

Chairman	: Er. Bhaben Kalita FIE
Honorary Secretary	: Er. Gokul Bhuyan, FIE
Immediate Past Chairman	: Er. Mahesh Barkataki, FIE
Immediate Past Honorary Secretary	: Er. Monojit Mishra, FIE
Member, Civil Engineering Division	: Er. SubhaBrata Sarmah, FIE Er. Jayanta Kumar Medhi, FIE Er. Dilip Sarmah, FIE
Member, Mechanical Engineering Division	: Er. Suradas Bhattacharjee, MIE Er. Hemandra Kumar Barman, MIE
Member, Chemical Engineering Division	: Dr. Plabon Bora, MIE
Member, Electrical Engineering Division	: Er. Trailoyka Bora, FIE Er. Jatin Bordoloi, FIE
Member, Electronics and Telecommunication Engineering Division	: Er. Satyajyoti Nath, AMIE
Member, Environmental Engineering Division	: Dr. Sarad Bhaurao Gokhale, FIE
Member, Agriculture Engineering Division	: Er. Dilip Kumar Sarma, MIE
Member, Chairman, Upper Assam Local Centre	: Er. Arunav Baruah, FIE
Member, Chairman, Silchar Local Centre	: Er. Dibakar Bhattacharjee, MIE
Special Invitees:	: Er. Munindra Deka, MIE : Dr. Sashindra Kr. Kakoty, FIE : Dr. Arup Kr. Misra, FIE : Er. Gajendra Nath Khound, FIE

III. LOCALCENTRE

At present the following Local Centers are functioning in the boundary of the Assam State Centre.

1. Silchar Local Centre : Trunk Road, Silchar, Cachar, Pin -788001
2. Upper Assam Local Centre : P.O. Parbatpur, Dist.- Dibrugarh, Assam, Pin-786623

IV. TECHNICIAN / STUDENT CHAPTERS:

During the year under report, 1(one) Technician Chapter has been functioning at Assam Centre. There are 4 (four) Student Chapters at Assam Engineering College, 4 (four) Student Chapters at GIMT, Azara; 2(two) Student Chapters at Polytechnic Institutes and 2 (two) Student Chapter at Royal Global University, Guwahati.

V. LIBRARY

There are 6379 books in the Library of the State Centre as on 31-03-2026. During the year Corporate Members/ Associate Members/ Student Members were availing the library facilities.

VI. COMMITTEE MEETINGS

The Committee Meeting of the Assam State Centre was held 9 (nine) times during the year from November 2025 to October 2026 under report. A major thrust was given for organizing various technical activities from time to time. Accordingly several such activities were organized during the year for advancement in various fields of Science, Technology and Engineering.

VII. ANNUAL GENERAL MEETING

In the presence of a large number of Corporate members, 67th Annual General Meeting of the Assam State Centre of The Institution of Engineers (India) was held on 29th October 2025 in the New Auditorium of the Institution under the chair of Er. Mahesh Barkataki, FIE, Chairman of the Centre. The 67th Annual Report was read out by the Hony. Secretary, Er. M Mishra, FIE. In the meeting the Audited Accounts for the financial year 2024-2025 was approved.

VIII. ACTIVITIES:

1. 68th Foundation Day Celebration & 20th H.P. Barua Memorial Lecture:

The Institution of Engineers (India), Assam State Centre, Guwahati celebrated its 68th Foundation Day and conducted 20th Hari Prasad Barua Memorial lecture to commemorate its founder Chairman Late Er. Hari Prasad Barua on 28th November, 2025 in the Auditorium Hall of the Centre.

The celebration started with the welcome address by Er. Suradas Bhattacharjee, MIE, the Jt. Honorary Secretary, Institution of Engineers (India), Assam State Centre followed by lighting of ceremonial lamp and paying floral tribute to the founder Chairman of the Centre, Late Er. Hari Prasad Barua. Then, the introduction of guest speaker, Dr. Vimal Katiyar Professor, Department of Chemical Engineering, Indian Institute Technology, Guwahati was very nicely given by Er. Monojit Mishra, FIE Immediate past Honorary Secretary of IEI ASC followed by felicitation of the guest speaker. The speech on the life and achievements of late Hari Prasad Barua was elaborately presented by Er. Subha Brata Sarmah, FIE, Member of IEI ASC which could draw the attention of the audience present in the function very much.

Later on, the Satyendra Sarmah & Gokul Chandra Goswami memorial award giving ceremony was nicely conducted by Er. Jayanta Kumar Medhi, FIE, Member of IEI ASC. The Satyendra Sarmah & Gokul Chandra Goswami memorial awards are given to the best engineering graduate & best electrical engineering graduate respectively of Assam Science & Technology University, Guwahati. The recipients of these two prestigious awards for the year 2025 were Mr. Soumodeep Biswash from Department of Electronics and Telecommunication Engineering of Barak Valley Engineering College, Karimganj and Sahil Akhtar from Department of Electrical Engineering of Bineswar Brahma Engineering College, Kokrajhar respectively. Er. Medhi also delivered brief speech on the life and achievements of both the Satyendra Sarmah & Gokul Chandra Goswami.

The appointed speaker, Dr. Vimal Katiyar delivered his speech on the theme "Plastic Pollution and its Remediation through Sustainable Practices" in a very captivating manner. The interactive session was also very much interesting and well acclaimed by a large number of corporate members present.

The meeting was chaired by Er. Bhaben Kalita, FIE, Chairman of IEI, ASC and he conducted the event in very systematic and orderly manner. He also delivered the closing remarks covering all activities of the event. Further he emphasized on strengthening the centre by increasing member attracting the young engineers to enroll as member of IEI. Further he focused on Infrastructural development of the centre.

Er. Suradas Bhattacharjee, MIE, Jt. Hony. Secy. offered the formal vote of thanks. The programme was successful in terms of its objectives.

2. Technical Seminar on the theme "Sustainable Built environment" on 7th December 2025 :

The Institution of Engineers (India), Assam State Centre (IEI-ASC), in association with the Indian Buildings Congress, Assam State Centre (IBC-ASC), jointly organized a Zonal Technical Seminar on the theme "Sustainable Built Environment" on 7th December 2025 (Sunday) at the Auditorium of IEI-ASC, Panbazar, Guwahati-1. The seminar was conducted as a day-long technical programme and witnessed enthusiastic participation from engineering professionals across the North-Eastern region.

The technical seminar commenced with an inaugural session graced by distinguished dignitaries on the dais including Er. Chinmoy Debnath, President IBC and Past President, IEI, Er. (Dr.) Toli Basar, Chairman IBC North-Eastern Zonal Committee, Er. Bhaben Kalita, Chairman, IEI-ASC, Er. Dilip Deka, Chairman IBC-ASC, and Er. Raj Chakraborty Special Commissioner & Secretary to the Government of Assam PWD (NH & Buildings).

At the outset, Er. Pulak Sarmah Honorary Secretary IBC-ASC welcomed the dignitaries as well as participants and briefed the house about the objectives and significance of the jointly organized zonal technical seminar. On behalf of the organizers, Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC, felicitated all the dignitaries on the dais with traditional Assamese phulam gamocha.

In their addresses Er. Chinmoy Debnath, Er. (Dr.) Toli Basar, and Er. Raj Chakraborty appreciated and lauded the joint initiative of IEI-ASC and IBC-ASC in promoting professional knowledge sharing on contemporary engineering themes. Er. R. K. Mozumdar, Vice-Chairman, IBC North-Eastern Zonal Committee, also addressed the gathering and emphasized the relevance of sustainable practices in the built environment. Delegates from almost all North-Eastern states, except Meghalaya, Mizoram, and Sikkim, participated in good numbers.

Er. Bhaben Kalita, Chairman, IEI-ASC, highlighted the importance and timeliness of the seminar theme and assured the gathering that similar joint technical programmes would be organized in the future as well. Er. Dilip Deka, Chairman, IBC-ASC, expressed his gratitude to IEI-ASC for collaborating in organizing the seminar and thanked all stakeholders for their support.

Technical Session :

The Technical Session featured insightful presentations on contemporary and relevant sub-themes related to sustainable infrastructure development. Er. Kushanabh Baruah, a young engineering consultant and executive of Reliant Foundation Pvt. Ltd., delivered an impressive presentation on "PQC Excellence: Quality Assurance in Modern Pavements." Er. R. K. Mozumdar, IAS (Retd.), from Tripura, deliberated in detail on "EPC Contracts," highlighting practical challenges and implementation aspects. Er. Dilip Deka presented an engaging talk on "Green Buildings and Their Sustainability in India," focusing on evolving concepts and best practices.

The session witnessed lively and interactive discussions between the speakers and participants, enriching the overall deliberations. The Technical Session was ably chaired by Er. (Dr.) Y. L. Singh, DGM, NPCC, who effectively moderated the discussions and concluded the session by summarizing the key deliberations in a comprehensive manner. Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC, felicitated all the speakers and the session chair with traditional Assamese phulam gamocha on behalf of the organizers.

At the end of the programme, Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC, proposed the formal vote of thanks, expressing sincere appreciation to all speakers, participants, dignitaries, and organizing committee members for their valuable contributions and cooperation, which ensured the successful conduct of the seminar. Finally, concluding the day-long seminar he invited all participants to join the lunch.

3. National Energy Conservation Day:

The Institution of Engineers (India), Assam State Centre (IEI-ASC), observed National Energy Conservation Day 2025 on 14th December, 2025 at its own premises with active participation of engineers, professionals, and members of the Centre.

National Energy Conservation Day is observed across the country every year on 14th December since 1991 with the objective of highlighting the growing importance of energy conservation, efficient utilization, energy conversion and scientific energy management. In India, the Energy Conservation Act, 2001 was enacted to institutionalize energy efficiency initiatives leading to the establishment of the Bureau of Energy Efficiency (BEE) under the Ministry of Power, Government of India. BEE, as a statutory body plays a pivotal role in formulating policies and implementing strategies aimed at reducing the energy intensity of the Indian economy through a framework that emphasizes self-regulation, market-driven mechanisms and sustainable development.

Energy forms the cornerstone of socio-economic development and environmental sustainability. The observance of National Energy Conservation Day serves as an important platform to sensitize citizens and professionals alike about the urgent need for responsible energy use, enhanced

efficiency and effective energy management practices. Energy conservation must be ingrained in individual and collective behaviour to minimize wastage and maximize output per unit of energy consumed thereby contributing to long-term sustainability goals.

On this occasion, Er. Om Prasad Chetry, FIE, General Manager, IOCL Guwahati Refinery delivered the keynote lecture on the theme "Illuminating the Path to Sustainability". In his insightful and thought-provoking address, Er. Chetry emphasized the significance of green and renewable energy generation, efficient energy conversion systems and integrated energy management strategies. He also highlighted the role of industry, innovation and policy interventions in achieving sustainable development goals and India's Net Zero Emission targets.

The keynote address was followed by an engaging interactive session during which corporate members and participants actively contributed to discussions, sharing perspectives and practical insights on energy efficiency and sustainability.

The programme was presided over by Er. Bhaben Kalita, FIE, Chairman, IEI-ASC. Er. Gokul Bhuyan, FIE, Honorary Secretary, delivered the welcome address and outlined the relevance of the day in the present energy and environmental context. The invited speaker was formally introduced by Dr. Plaban Bora, MIE, Member, IEI-ASC. Er. Bhaben Kalita, FIE, Chairman, IEI-ASC in his concluding speech reaffirmed the Institution's commitment towards promoting sustainable engineering practices for a greener and energy-efficient future. The session was concluded with a vote of thanks proposed by Er. Gokul Bhuyan, FIE, Honorary Secretary. The event successfully reinforced the importance of energy conservation.

4. National Science Day:

The National Science Day 2026 was observed by the Institution of Engineers (India), Assam State Centre by organizing two programmes on 28th February 2026.

The Outreach Programme was held at the premises of Panbazar Adarsha L.P. School, Guwahati, from 10:00 AM to 1:00 PM. The programme was attended by teachers, a large number of students, members of the School Management Committee, members of the Mothers' Group, and parents/guardians of the students. The programme was also graced by Er. Bhaben Kalita, FIE, Chairman; Er. Gokul Bhuyan, FIE, Honorary Secretary; Er. Mahesh Barkataki, FIE, Immediate Past Chairman; Er. Monojit Mishra, FIE, Immediate Past Honorary Secretary; Er. Trailokya Borah, FIE, State Committee Member; Er. Satyajyoti Nath, AMIE, State Committee Member and Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary of IEI, Assam State Centre.

As part of the programme, Science Exhibition and Speech Competitions were organized among the students of the school. A good number of students participated enthusiastically and showcased their creativity and talents in the respective events. The programme was conducted efficiently by Mrs. Bandana Baruah, Headmistress of Panbazar Adarsha L.P. School, who highlighted the scientific basis of various activities in our day-to-day life and emphasized the importance of nurturing scientific temper among students from an early age.

Mrs. Baruah also encouraged the students to devote themselves wholeheartedly to their studies and to make the best use of the various facilities provided free of cost by the Government of Assam in schools so that they may excel in their future careers.

Altogether, 57 students demonstrated their innovative models in the Science Exhibition, many of which were of commendable standard. In addition, 15 students participated in the Speech Competition. The best performers were awarded 1st, 2nd, and 3rd prizes in both the Science Exhibition and Speech Competition.

In the afternoon session, the Central Programme which formed the concluding part of the observance of National Science Day 2026, was organised at the Annex Building of IEI, Assam State Centre, Panbazar. The programme featured Dr. Indrani Gogoi, Joint Director, Directorate of Technical Education, Assam, as the Keynote Speaker and Prof. (Dr.) Rupanjali Nath, Department of Mechanical Engineering, Jorhat Engineering College, Jorhat, Assam, as the Guest of Honour. Both speakers delivered insightful presentations highlighting the role of women in society-from participation to leadership-in various sectors, thereby making the programme truly meaningful in line with its theme.

In addition, an Inter-School Essay Competition was organised in two groups of students from across the State of Assam. During the evening session, the students from both groups were awarded 1st, 2nd, and 3rd prizes for their outstanding performances.

The meeting was presided over by Er. Bhaben Kalita, FIE, Chairman of IEI, Assam State Centre. In his welcome address, Er. Gokul Bhuyan, FIE, Honorary Secretary, briefly explained the significance and importance of observing National Science Day. Both sessions of the programme were well attended by a large number of participants and the event was successfully conducted in fulfilment of its objectives.

Finally, Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, delivered the formal vote of thanks expressing gratitude to the distinguished guests, participants, and attendees for making the programme a grand success.

5. World Engineering Day 2026:

A Popular Talk was organised on the occasion of World Engineering Day 2026 by the Institution of Engineers (India), Assam State Centre (IEI-ASC) on 4th March, 2026 at the Golden Jubilee Lecture Theatre of the Institution.

The meeting was presided over by Er. Bhaben Kalita, FIE, Chairman, IEI, Assam State Centre. Er. Gokul Bhuyan, FIE, Honorary Secretary, welcomed the gathering and highlighted the significance of observing World Engineering Day, emphasizing the vital role of engineers in shaping a sustainable and technologically advanced society. Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, introduced the Appointed Speaker, Er. Gajendra Nath Khound, FIE, former Chairman of IEI, Assam State Centre, to the audience. The speaker was felicitated by Dr. Sashindra Kumar Kakoty, FIE, former Chairman of IEI, Assam State Centre.

Er. Gajendra Nath Khound, FIE delivered an insightful and thought-provoking address on the theme "Smart Engineering for a Sustainable Future". In his deliberation, he beautifully highlighted how innovation, digital transformation and responsible engineering practices can collectively contribute to building a resilient and sustainable future.

During his talk, Er. Khound also emphasized the crucial role played by engineers in achieving

the Sustainable Development Goals (SDGs). He pointed out that engineers design and implement solutions for clean energy, climate resilience, sustainable infrastructure and environmental protection thereby directly contributing to global sustainable development. He further highlighted that some of the key SDGs closely associated with engineering include Clean Water and Sanitation, Affordable and Clean Energy, Industry, Innovation and Infrastructure, Sustainable Cities and Communities and Climate Action.

The talk was highly appreciated by the audience and it was followed by a vibrant and interactive session, where participants actively engaged with the speaker through questions and discussions. Finally, Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, delivered the formal vote of thanks expressing gratitude to the distinguished speaker, dignitaries, and participants for their presence and contribution to making the programme a success.

6. World Water Day 2026:

The Institution of Engineers (India), Assam State Centre and Assam Pollution Control Board organized jointly World Water Day 2026 on the theme "Water and Gender" at its own premises at Panbazar, Guwahati with a daylong programme on 22nd March, 2026.

The programme was graced by Ravi Kota, IAS, Chief Secretary to the Government of Assam, as the Chief Guest. In his address, he highlighted the importance of sustainable water resource management and emphasized the need for collective efforts to address emerging water challenges in the region.

The Keynote Address was delivered by Dr. Anamika Barua, Professor Deptt. of Humanities and Social Sciences, IIT Guwahati, on this year's theme "Water and Gender". She emphasized on the crucial role of women in water governance and stressed that greater participation of women in decision-making processes is essential for effective and inclusive water management.

The Guest of Honour for the programme was Er. Ashish Mishra, Project Head, Tata Semiconductor Project, Jagiroad who also delivered a speech on the focal theme giving stress on critical link between gender equality and safe water access. He also talked about the campaign to inspire action towards Sustainable Development Goal 6 (SDG 6) to ensure safe water and sanitation for all" & SDG 5 "to achieve gender equality and empower all woman and girls."

The inaugural session was presided over by Er. Bhaben Kalita, Chairman, IEI Assam State Centre. The welcome address was delivered by Er. Gokul Bhuyan, Honorary Secretary of IEI Assam State Centre.

The Chief Guest & the Keynote Speaker were felicitated by Er. Bhaben Kalita FIE, Chairman, Dr. Arup Kumar Misra, FIE; former Chairmen of IEI, ASC and presently Chairman of Assam Pollution Control Board introduced both the distinguished Guests. The Guest of Honour was felicitated by Er. Mahesh Barkataki FIE, Immediate Past Chairman of the Centre. The World Water Day 2026 was inaugurated by Dr. Ravi Kota, the Chief Guest lighting the ceremonial lamp who was accompanied by the invited distinguished guests. Er. Trailokya Borah, Organizing Secretary of the event delivered a speech on the significance of World Water Day.

The Chairman of the Centre Er. Bhaben Kalita, FIE in his closing remark emphasized that Woman's participation in water governance is utmost necessary for water conservation as well sustainable management of water utilization. The Inaugural Session was ended with the vote of thanks extended by the Joint Hony. Secretary of the Centre Er. Suradas Bhattacharjee.

To commemorate the occasion, a souvenir containing technical articles on water-related issues and the quarterly newsletter of IEI Assam State Centre were formally released.

A technical session was held in the afternoon under the chairmanship of Er. Mousumi Bordoloi, Member Secretary, Assam Pollution Control Board, where several technical papers were presented by experts and professionals.

A large number of engineers, officials, academicians, students, media personality and invited guests attended the programme marking the World Water Day 2026.

Details of the Technical Session:

The inaugural session was followed by a Technical Session where 3 (three) nos. of technical papers related to the theme of the event "Water and Gender" were presented by the technocrats, academicians and Research Scholar of different Institutions.

The technical session was attended by a large gathering where members of IEI ASC, faculties from different Engineering Colleges/ Institutions including students from different Engineering Colleges as well as representatives from different organization were present.

The Technical Session: was conducted by the following distinguished persons-

Chairman	:	Er. Mousumi Bardalai
Co-Chairman	:	Er. Jayanta Kumar Medhi, FIE
Rapporteur	:	Er. Suradas Bhattacharjee, MIE Er. Satyajyoti Nath, AMIE

A) The first paper was authored by Dr. Arup Kumar Sarma Professor IIT Guwahati, Simona Sarma Visiting Scholar University of Texas Austin, Shaivi Shukla Research Scholar IIT Guwahati, Bhaswatee Baishya Research Scholar IIT Guwahati & Satheesh Barre Research Scholar IIT Guwahati. The Paper was presented by Simona Sarma.

The title of the presentation was "Gendered Dimensions of Water Access: Making Invisible Visible to Justify Water Infrastructure Development in Rural India: A Case Study of Tipam Phake Village, Assam".

The presenter described that, water access and management are shaped by social and gender relations, with women in rural Global South areas mainly responsible for water collection and household use, often at the cost of their education. Their time and contributions are undervalued, making large water projects seem less beneficial. Women's knowledge is also often ignored in governance. This study in Tipam Phake village, Assam, shows that despite some groundwater

access, women still handle most water-related work and face health risks. It highlights persistent gender roles and stresses the need for inclusive, gender-sensitive water policies that recognize women's time, labour, and knowledge.

B) The second paper was authored & presented by Dr. Mayashree Gharphalia, Assistant Professor, J.B.Law College, Guwahati.

The title of the presentation was "Rethinking Transboundary Water Governance Through a Feminist Lens: The Case of the Brahmaputra Dialogue".

The presenter mentioned that, transboundary rivers like the Brahmaputra involve complex governance across countries, but gender aspects are often overlooked. This study analyzes gender inclusion in the Brahmaputra Dialogue and finds limited representation. It highlighted the need for stronger gender-inclusive policies and participation to ensure sustainable and equitable water management.

C) The third paper was authored & presented by Mahanubhav Borthakur, Assistant Engineer, Irrigation Department, Govt. of Assam.

The title of the presentation was "Sustainable Management of Water Resources: Harnessing Inland Waterways and Irrigation Potential". As per this paper, Inland transport is more beneficial than land transport and Air transport in terms of cost and pollution potentials etc.

The presenter mentioned that, water has shaped civilization by supporting transport, agriculture, and economies. Rivers like the Brahmaputra serve multiple roles, making integrated management essential. The presentation highlights inland waterways as sustainable transport and stresses better use of Assam's water through irrigation, storage, and efficient technologies. There was a good interactive session during the technical paper presentation.

The technical paper presentation was followed by a panel discussion.

The technical session came to an end by offering formal vote of thanks by Er. Suradas Bhattacharjee MIE, Joint Honorary Secretary.

7. World Telecommunication & Information Society Day 2026:

The Assam State Centre of the Institution of Engineers (India) observed the World Telecommunication and Information Society Day 2026 on Sunday, 17 May 2026, at its own premises in Panbazar, Guwahati. To mark the occasion, an insightful discussion programme on the theme "Digital Lifelines - Strengthening Resilience in a Connected World" was organised at 5:00 PM.

The programme was presided over by the Chairman of IEI Assam State Centre, Er. Bhaben Kalita, FIE, while the welcome address was delivered by Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI Assam State Centre. Er. Satyajyoti Nath, AMIE, Member, IEI Assam State Centre, introduced the keynote speaker, Shri Hawa Singh Jakhar, Chief General Manager, Core Network Transmission Division, North Eastern Region, BSNL to the audience. The keynote speaker was felicitated by Er. G.N. Khound, FIE, Past Chairman, IEI Assam State Centre. The programme commenced with the ceremonial lighting of the lamp.

In his keynote address, Shri Jakhar highlighted the growing importance of digital services in everyday life and emphasised how rapid advancements in digital technologies have made public services more accessible and efficient for citizens. He further noted that, in recent years, special emphasis has been placed on strengthening resilience in digital infrastructure and ensuring the security and privacy of citizens' data. Significant progress, he observed, has already been achieved in developing technologically robust and secure digital systems.

The programme was attended by several distinguished personalities from various fields, along with engineers and members of the Institution. An engaging interactive session followed the keynote presentation, during which participants exchanged views and ideas on the evolving digital ecosystem and its future challenges.

Thereafter, the Chairman of IEI Assam State Centre, Er. Bhaben Kalita, FIE, summed up the deliberations and expressed his appreciation for the informative and thought-provoking presentation delivered by the keynote speaker.

The event concluded with a formal vote of thanks proposed by Er. Surdas Bhattacharjee, MIE, Joint Honorary Secretary, IEI Assam State Centre. The programme was highly successful in achieving its objectives and provided a meaningful platform for deliberation on the role of digital technologies in building a resilient and connected world.

8. World Environment Day 2026:

World Environment Day (WED) 2026 was observed by The Institution of Engineers (India), Assam State Centre, in association with Aaranyak, a leading biodiversity conservation NGO on 05.06.2026. IEI Assam State Centre organized WED 2026 with two programmes-an outreach programme in the morning and a popular talk programme at its premises in the evening-on this year's focal theme, "Inspired by Nature. For Climate. For Our Future."

To mark the observance of World Environment Day 2026, The Institution of Engineers (India), Assam State Centre in collaboration with Aaranyak, organized an outreach environmental awareness programme at New Guwahati Adarsha High School, Guwahati. The event witnessed enthusiastic participation from teachers and more than 200 students reflecting their keen interest in environmental conservation and sustainable development.

As part of the programme, a Drawing Competition was organized to encourage students to creatively express their ideas and concerns regarding environmental protection. Approximately 60 drawings were submitted by the students, out of which the school authorities shortlisted top 15 entries based on creativity, relevance, and presentation for awards.

Speaking on the occasion, Senior Teacher Ms. Binita Barman highlighted the importance of environmental education at the grassroots level. She stated that such initiatives encourage students to develop environmentally responsible behaviour and adopt sustainable lifestyles from an early age.

The programme was attended by distinguished office bearers of The Institution of Engineers (India), Assam State Centre, including Er. Bhaben Kalita, FIE, Chairman; Er. Gokul Bhuyan, FIE, Honorary Secretary; Er. Mahesh Barkataki, FIE, Former Chairman; Er. Monojit Mishra, FIE, Former Honorary Secretary; and Er. Subha Brata Sarmah, FIE, Member of the State Committee.

Addressing the students, Er. Gokul Bhuyan encouraged them to take proactive steps towards protecting the environment, reducing pollution and becoming responsible citizens by adopting environmentally friendly practices in their daily lives, beginning from their own homes.

In the evening, the main programme was held at the Auditorium of IEI Assam State Centre and was attended by a large number of corporate members of the Centre as well as officials of Aaranyak. Dr. Arup Kr. Misra, FIE, Past Chairman of IEI Assam State Centre and presently Chairman of the Assam Pollution Control Board; Dr. Bibhab Kumar Talukdar, Secretary General, Aaranyak; and Dr. Bibhuti Prasad Lahkar, Deputy Executive Director, Aaranyak delivered popular lectures on the theme.

Dr. Surajit Baruah, Senior Consultant, National Disaster Management Authority (NDMA) and Assam State Disaster Management Authority (ASDMA) graced the programme as the keynote speaker and delivered an insightful PowerPoint presentation on environmental challenges and the collective responsibilities required to ensure a sustainable future.

Dr. Arup Kumar Misra, Chairman, Assam Pollution Control Board and Former Chairman of IEI Assam State Centre, delivered an inspiring address and shared his valuable perspectives on environmental stewardship and sustainable development.

Dr. Bibhab Kumar Talukdar, Secretary General of Aaranyak also addressed the gathering. He emphasized the environmental challenges facing society and highlighted Aaranyak's continued commitment towards environmental conservation and public awareness.

Dr. Bibhuti Prasad Lahkar, Deputy Executive Director, Aaranyak spoke on sustainability initiatives, tree plantation activities and the importance of public awareness in environmental protection.

The programme was chaired by Er. Bhaben Kalita, FIE, Chairman, IEI Assam State Centre, while Er. Gokul Bhuyan, FIE, Honorary Secretary welcomed the keynote speaker, distinguished guests and members of the audience.

Dr. S.K. Kakoty, FIE, Former Chairman, IEI Assam State Centre felicitated Dr. Surajit Baruah. Er. Gokul Bhuyan, FIE, Honorary Secretary, felicitated Dr. Arup Kr. Misra. Er. G.N. Khound, FIE, Former Chairman, IEI Assam State Centre, felicitated Dr. Bibhab Kumar Talukdar, while Dr. A.K. Baruah, Former Chairman, IEI Assam State Centre, felicitated Dr. Bibhuti Prasad Lahkar.

During the programme, the Second Quarter News Bulletin of the Centre was formally released by the dignitaries to commemorate the occasion. Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, offered the formal vote of thanks.

The programme was attended by a large number of corporate members and representatives from various organizations including Aaranyak. The event was a grand success and achieved its objective of promoting environmental awareness and encouraging collective action towards environmental conservation and a sustainable future.

9. Popular Talk on Sustaining the Muga Silk of Assam: Research to livelihood :

A Popular Talk on "Sustaining the Muga Silk of Assam: Research to Livelihood" was organized by the Assam State Centre of The Institution of Engineers (India) (IEI-ASC) in association with Aaranyak on 25 July 2026 at 5:30 PM at its own premises at Panbazar, Guwahati. The programme was chaired by Er. Bhaben Kalita, Chairman, IEI-ASC.

The programme commenced with a warm welcome address by Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC, who welcomed the dignitaries, resource persons, members and participants which highlighted the importance of preserving and promoting Assam's unique Muga silk heritage through research, innovation, entrepreneurship, and livelihood generation.

Mr. Pranab Goswami of Aaranyak introduced the resource persons to the gathering.

The resource persons, Dr. Dipali Devi, Retired Senior Scientist, Seri-Biotech, Life Science Division, IASST, and Mr. Alakesh Malla Baruah, Extension Officer, Office of the Assistant Director, Sericulture, Kamrup, Assam, were felicitated by Er. G. N. Khound, Former Chairman, IEI-ASC, and Er. Monojit Mishra, Immediate Past Honorary Secretary, IEI-ASC, respectively.

Dr. Dipali Devi delivered an insightful presentation on Muga silk and its potential for entrepreneurship development and revenue generation. Through a comprehensive PowerPoint presentation, she highlighted the uniqueness and potential of Muga silk, its scope for entrepreneurial activities, and the opportunities for livelihood generation. She also discussed the major challenges confronting the Muga silk sector and suggested possible measures for addressing them.

Mr. Alakesh Malla Baruah provided a comprehensive overview of the Government schemes and ongoing programmes for the development of the sericulture sector. He explained various initiatives aimed at promoting Muga silk entrepreneurship, employment generation, revenue generation and elaborated on the opportunities available to entrepreneurs and stakeholders through Government-supported programmes.

In his address, Er. Bhaben Kalita, Chairman, IEI-ASC, highlighted the significance of the programme and emphasized the need for concerted efforts to preserve, promote, and develop Assam's Muga silk sector. He called upon institutions working in the field of entrepreneurship, research, technology, and livelihood development to come forward and contribute towards the sustainable development and preservation of Muga silk.

The Popular Talk was attended by a large and diverse group of corporate members, researchers, academicians, students, entrepreneurs, Government officials, NGOs, representatives of Self-Help Groups (SHGs) and members of the general public. The interactive session of the programme provided an opportunity for participants to exchange views, share ideas and discuss possible avenues for collective action.

The discussions generated valuable ideas and perspectives on strengthening the Muga silk sector, promoting entrepreneurship, creating employment opportunities and ensuring the sustainable preservation and development of this unique heritage of Assam.

The programme was highly successful and well appreciated by the participants and stakeholders. The active participation of people from diverse backgrounds demonstrated the growing interest in Muga silk as a means of sustainable livelihood, entrepreneurship and economic development.

Overall, the Popular Talk served as a meaningful platform for bringing together research, Government initiatives, entrepreneurship, and community participation towards the common objective of sustaining Assam's Muga silk sector and transforming its rich potential into sustainable livelihood opportunities.

10. INTER-STATE COLLABORATIVE SEMINAR ON "RENEWABLE POWER SCENARIO OF NORTH EAST INDIA: FUTURE PROSPECTS AND CHALLENGES":

An Inter-State Collaborative Seminar on the theme "Renewable Power Scenario of North East India: Future Prospects and Challenges" was jointly organised by The Institution of Engineers (India), Assam State Centre and Tripura State Centre on 6th September 2026 at 5.30 pm at the New Auditorium of IEI, Assam State Centre , Panbazar, Guwahati.

The programme commenced with a Welcome Address by Er. Gokul Bhuyan, Honorary Secretary, IEI, Assam State Centre, who extended a warm welcome to the distinguished resource persons, members and participants. In his address, he expressed the hope that the Seminar would be successful in achieving its objectives and that the deliberations would generate meaningful discussions and constructive recommendations for harnessing the vast renewable energy potential of the North Eastern Region.

The distinguished resource persons were felicitated by eminent members of the Institution. Er. Nuruzzaman, FIE & Past Honorary Secretary, IEI, Assam State Centre felicitated Dr. Swapan Bhowmik, Past Chairman, IEI, Tripura State Centre and Past Vice President of IEI. Er. Chandan Bhaduri, FIE felicitated Dr. Priyanath Das, Honorary Secretary, IEI, Tripura State Centre. Er. Pradipta Changkakati felicitated Dr. Arup Kr. Misra, Past Chairman, IEI, Assam State Centre; Former Director of ASTEC and EDAA; and present Chairman, Assam Pollution Control Board.

Thereafter, Er. Satyajyoti Nath introduced all the three distinguished resource persons to the audience and highlighted their illustrious careers, professional achievements and significant contributions in their respective fields.

Technical Deliberations

Dr. Priyanath Das, in his illuminating presentation, vividly highlighted that despite possessing enormous potential for power generation, particularly from renewable sources, the North Eastern Region is still lagging considerably behind many other parts of the country in terms of power production and utilisation of its available resources. He discussed various sustainable approaches for improving power generation and emphasised the importance of minimising power losses for ensuring efficient utilisation of generated energy.

Dr. Arup Kr. Misra delivered an insightful and informative presentation on the Renewable Energy Scenario of North East India. He provided a detailed overview of the renewable energy potential of Assam and other North Eastern States. Stressing the need for sustainable power production, he highlighted the enormous prospects of solar power in Assam. He also pointed out that the vast potential of the biomass power sector in the region is yet to be adequately explored and unlocked.

Dr. Swapan Bhowmik, during his deliberations, emphasised the need for enhancement of membership in all the State Centres of The Institution of Engineers (India) in the North Eastern Region. He observed that a stronger membership base would further strengthen the professional network of the Institution and enable the State Centres to play a more effective role in addressing technological and developmental challenges.

Interaction Session

An interactive session followed the technical presentations, during which the participants actively engaged with the resource persons and raised several relevant and thought-provoking queries. The discussions covered important issues such as the disposal and management of solar panels after the completion of their useful life, the operational and other challenges associated with biomass power plants, and the present scenario and future prospects of geothermal energy in North East India, among others. The interaction provided an opportunity for meaningful exchange of ideas and further enriched the deliberations of the Seminar.

Closing Remarks

In his closing remarks, the Chairman, IEI, Assam State Centre, emphasised the urgent need for harnessing the vast renewable energy potential of the North Eastern Region. He particularly stressed upon the development of renewable energy projects and small hydro power plants, which could significantly improve the overall power scenario of the region.

He observed that adequate and reliable availability of power is one of the fundamental prerequisites for industrial development. Unless the power scenario of the North Eastern Region is substantially improved, rapid industrialization may not be possible. This would subsequently have a cascading effect on employment generation and other sectors of the economy.

The Seminar provided an important platform for engineers, academicians and professionals to deliberate upon the immense potential, present status, future prospects and challenges of power generation in the North Eastern Region with special emphasis on renewable and sustainable sources of energy.

The deliberations during the Seminar clearly brought out that the North Eastern Region possesses immense untapped potential in renewable energy, including solar energy, biomass and small hydro power. Harnessing these resources through appropriate planning, technological interventions and sustainable practices is essential for ensuring energy security and accelerating the socio-economic development of the region.

The Seminar concluded with a Vote of Thanks offered by Er. Surdas Bhattacharjee, Joint Honorary Secretary, IEI, Assam State Centre, who expressed his sincere gratitude to the distinguished resource persons for their valuable and thought-provoking deliberations. He also thanked the Chairman, office bearers, members, participants and all those associated with the successful organisation of the Seminar.

The Seminar was highly enriching and informative and is expected to contribute towards generating greater awareness and encouraging concerted efforts for sustainable and accelerated power development in North East India.

11. Royal Charter Day 2026 :

The Institution of Engineers (India), Assam State Centre (IEI-ASC) celebrated Royal Charter Day 2026 on 9th September 2026 at the Golden Jubilee Lecture Hall, IEI-ASC, Panbazar, Guwahati. The programme was attended by distinguished Fellows, Members and office-bearers of the Centre.

The programme commenced at 5:30 PM with the Welcome Address delivered by Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC. He welcomed the distinguished guests, the appointed speaker and members of the Institution and briefly highlighted the significance of observing Royal Charter Day and the enduring institutional heritage of IEI.

Following the welcome address, Er. G. N. Khound, FIE, Past Chairman, IEI-ASC, felicitated the distinguished appointed speaker, Er. Monojit Mishra, FIE, Immediate Past Honorary Secretary, IEI-ASC, as a mark of respect and appreciation for his contribution to the Institution.

Thereafter, Er. Satyajyoti Nath, AMIE, introduced the appointed speaker to the audience. He briefly highlighted Er. Mishra's professional association with IEI and his contribution to the activities of the Assam State Centre.

The much-awaited address was then delivered by Er. Monojit Mishra, FIE, on the subject of the Royal Charter of The Institution of Engineers (India).

In his insightful and informative speech, Er. Mishra elaborated on the historical and institutional significance of the Royal Charter status of IEI. He particularly emphasised the recognition accorded to the Institution by the British Monarchy, the continuity and perpetuality associated with such recognition and the distinctive values and institutional stature derived from its Royal Charter.

He also highlighted the significant role played by IEI over the years in nation building, particularly through the dissemination of engineering knowledge, promotion of technological advancement, professional development of engineers and provision of engineering and technological services to society and the nation.

The address provided the audience with a deeper understanding of the historical legacy of IEI and the responsibilities that accompany its distinguished institutional status.

The speech was followed by a highly interactive and engaging session, during which members and participants raised a wide range of questions and observations.

The discussion covered several important aspects, including the importance and relevance of the Royal Charter, whether the Royal Charter status continues to remain valid after India's independence, the advantages and institutional privileges associated with Royal Charter status, as well as the responsibilities and possible liabilities arising from such a distinguished status.

The versatile interaction generated considerable interest among the members and provided an opportunity for clarification and exchange of views on the historical, legal and institutional dimensions of the Royal Charter.

Following the interactive session, the Chairman, IEI-ASC, delivered his closing remarks. He appreciated the appointed speaker for his enlightening presentation and acknowledged the active participation of the members in the interactive session. He also emphasized the importance of understanding and upholding the rich heritage, professional values and institutional responsibilities associated with IEI.

The programme concluded with the Vote of Thanks proposed by Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, IEI-ASC. He expressed gratitude to the appointed speaker, Chairman, Past Chairman, office-bearers, members and all those who contributed to the successful organisation of the Royal Charter Day celebration.

Finally, the programme was concluded by the Chairman with a cordial and dignified note, with the celebration successfully reaffirming the heritage, institutional identity and professional values of The Institution of Engineers (India) and its continuing contribution to engineering and nation building.

12. Celebration of 59th Engineers' Day 2026:

The 59th Engineers' Day was celebrated by the Institution of Engineers (India), Assam State Centre (IEI-ASC), at its premises at Panbazar, Guwahati, on 15 September 2026. The programme was organised to commemorate the birth anniversary of Bharat Ratna Sir Mokshagundam Visvesvaraya, the renowned engineer, visionary and nation-builder. The celebration included a morning floral tribute to the bust of the legendary engineer Bharat Ratna Sir Mokshagundam Visvesvaraya at 10.00 a.m. and a structured evening programme comprising ceremonial proceedings, technical and inspirational addresses, felicitation, newsletter release etc. at 5.30 p.m. onwards.

The celebration was held under the chairmanship of Er. Bhaben Kalita, Chairman, IEI-ASC.

Proceedings in Seriatim as per the Agenda:

1. Ushering of Guests

The programme commenced with the ushering and reception of the distinguished guests, office-bearers, eminent Fellows, Corporate Members, engineers and other invitees. The dignitaries were welcomed and guided to their respective places, setting the tone for the formal observance of Engineers' Day.

2. Welcome Address by Er. Gokul Bhuyan, FIE, Honorary Secretary

Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC, delivered the welcome address. He welcomed the Chairman, Past Chairmen and Past Honorary Secretaries, the Distinguished Speaker, dignitaries, Corporate Members, fellow engineers and guests. He highlighted the relevance of Engineers' Day and stated that engineering excellence must be guided by innovation, sustainability, ethical responsibility and technological self-reliance. He also emphasised the responsibility of engineers to develop solutions that are technically sound, environmentally responsible, economically viable and socially inclusive.

3. Lighting of the Ceremonial Lamp and Floral Tribute to Sir M. Visvesvaraya

The ceremonial lamp was lit as a mark of auspicious commencement and collective commitment to the ideals of the engineering profession. A floral tribute was also offered to the bust of Bharat Ratna Sir Mokshagundam Visvesvaraya located within the Institution's premises. In addition, the Engineers' Day programme commenced at 10:00 AM with the offering of floral tributes, forming part of the day-long observance.

4. Felicitation of the Distinguished Speaker

The Distinguished Speaker, Dr. Mukul Chandra Bora, Vice-Chancellor, North Lakhimpur University, was felicitated by the Institution in recognition of his gracious presence and participation in the Engineers' Day celebration.

5. Introduction of the Chief Guest

Dr. Plaban Bora, Member, Assam State Committee, introduced the Distinguished Speaker to the audience. The introduction provided the audience with an overview of the speaker's academic and professional position and formally invited him to address the gathering.

6. Life and Achievements of Sir M. Visvesvaraya

Er. Pulak Sarmah, FIE, Former Honorary Secretary, IEI-ASC, delivered a special address on the life, achievements and contributions of Bharat Ratna Sir Mokshagundam Visvesvaraya. The presentation highlighted the values of discipline, vision, innovation, professional excellence and public service associated with Sir Visvesvaraya's life and work.

7. Release of the Newsletter

The quarterly newsletter of the Institution of Engineers (India), Assam State Centre, was released during the programme by the Chief Guest, Dr. Mukul Chandra Bora in presence of the members of the Editorial Committee of the News Letter viz. Er. G. N. Khound, Er. Hemendra Nath Barman and Dr. Plaban Bora. The release marked an important institutional activity and provided an opportunity to document and communicate the Centre's professional programmes, initiatives and activities.

8. Felicitation of Eminent Fellows of the Centre

A felicitation programme was organised to recognise distinguished engineers for their valuable contributions to their respective fields of engineering. The felicitation proceedings were conducted by Er. Mahesh Barkataki FIE Immd. Past Chairman, IEI-ASC. The following eminent engineers were felicitated: (i) Er. Dilip Sharma - Civil Engineering; (ii) Er. Monojit Mishra - Electrical Engineering; (iii) Er. Anirban Das - Chemical Engineering; and (iv) Dr. Sharad Bhaurao Gokhale

- Environmental Engineering. The felicitation acknowledged their professional contributions and served as an inspiration to the engineering fraternity. Further, four numbers of past Chairmen of IEI,ASC namely Er. G.N. Khound, Dr. A.K. Barua, Dr. Sashindra Kumar Kakoty and Er. Mahesh Borkakoty who were present in the programme were also felicitated

9. Address by the Chief Guest / Distinguished Speaker

Dr. Mukul Chandra Bora, Vice-Chancellor, North Lakhimpur University, delivered the principal address on the theme, "Engineering Excellence for a Sustainable and Technologically Sovereign India." In his address, he emphasised the importance of nature-based solutions in engineering and observed that technologies developed without adequate consideration of nature may become detrimental. He underlined the idea that nature itself provides many solutions and that society and engineers must learn to recognise and apply these solutions by observing the natural environment more carefully. He further noted that India's development is progressing rapidly, but that some development actions require stronger integration of sustainable and nature-based approaches. The address therefore encouraged engineers to harmonise technological advancement with ecological balance, sustainability and long-term public welfare.

10. Chairman's Remarks

In his concluding remarks, Er. Bhaben Kalita, Chairman, IEI-ASC, paid tribute to Bharat Ratna Sir M. Visvesvaraya and recalled his exemplary commitment to excellence, discipline, innovation and public service. He stated that engineering is not merely about technology but also about creating a safer, better and more sustainable future for society. He appealed to members, particularly young engineers, to share knowledge, contribute ideas and actively participate in the activities of IEI-ASC. He called upon the engineering fraternity to work collectively towards a sustainable and technologically sovereign India.

11. Vote of Thanks

The programme concluded with the vote of thanks delivered by Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, IEI-ASC. He expressed gratitude to the Distinguished Speaker, Chairman, dignitaries, office-bearers, eminent Fellows, Corporate Members, guests, organisers and all participants for their support and presence, which contributed to the successful conduct of the celebration.

Conclusion

The 59th Engineers' Day celebration of the Institution of Engineers (India), Assam State Centre, was observed with due dignity and enthusiasm. The programme commemorated the legacy of Sir Mokshagundam Visvesvaraya while focusing on the contemporary responsibilities of engineers in building a sustainable, resilient and technologically sovereign India. The celebration successfully combined remembrance, professional recognition, knowledge sharing and reflection on the future role of engineering. The proceedings reinforced the need for engineering practices that integrate technical excellence with environmental sustainability, ethical responsibility and technological self-reliance. The emphasis on nature-based solutions added an important dimension to the theme and encouraged the engineering community to pursue development pathways that are compatible with ecological balance and long-term societal well-being. A large

number of members of the Institution of Engineers (India), distinguished guests and members of the public participated in the programme organized as part of the Engineers' Day celebrations. The event concluded with an appeal for continued professional cooperation, active participation of members and renewed commitment to the ideals of Sir M. Visvesvaraya.

13. World Habitat Day :

The Institution of Engineers (India), Assam State Centre (IEI-ASC) observed World Habitat Day 2026 by organising a discussion programme at its auditorium in Panbazar, Guwahati, on Monday, 5 October 2026, at 6:00 p.m. The programme focused on the importance of adequate and affordable housing, sustainable urban development and the creation of inclusive and sustainable human settlements.

The meeting was presided over by Er. Mahesh Borkakoty, FIE, Immediate Past Chairman of IEI-ASC. Er. Jyotish Sarma, Retired Chief Engineer, Public Works Department (PWD), was the distinguished speaker at the programme.

Delivering an engaging and informative lecture on this year's theme, "Adequate Housing for All", Er. Sarma presented a detailed and fact-based analysis of urban development, affordable housing strategies and the challenges associated with developing sustainable human settlements. He emphasised that adequate housing is not merely a structural necessity but a fundamental human right that ensures dignity, security and access to essential facilities.

Highlighting the particular relevance of the subject to Assam and the North-Eastern region, he stressed the need for comprehensive urban planning and the development of sustainable habitats to achieve the goal of adequate housing for all. He also enthralled the audience by reciting a self-composed poem based on the theme of World Habitat Day, adding a creative dimension to the programme.

Following the distinguished speaker's address, several eminent participants and experienced engineers present at the programme shared their views on the significance and relevance of the theme. Their deliberations highlighted the importance of addressing housing-related challenges through appropriate planning, engineering interventions, and sustainable development practices.

In his concluding remarks as Chairman of the meeting Er. Mahesh Borkakoty emphasised the need to integrate modern technologies with traditional methods of building construction to facilitate the development of adequate housing in Assam. His observations underscored the importance of adopting context-appropriate construction practices while responding to the State's housing and urban development needs.

The programme commenced with the welcome address delivered by Er. Gokul Bhuyan, FIE, Honorary Secretary, IEI-ASC. Earlier, Er. Satyajyoti Nath, Member, Assam State Committee, introduced the distinguished speaker to the audience. The programme concluded with the vote of thanks delivered by Er. Dr. Plaban Bora, Member, Assam State Committee.

The observance provided a valuable platform for professional interaction and deliberation on the challenges and opportunities associated with adequate housing and sustainable habitat development. Through the programme, IEI-ASC reaffirmed the importance of engineering knowledge, sustainable construction practices, and planned urban development in advancing the objective of "Adequate Housing for All."

14. World Standards Day :

The Institution of Engineers (India), Assam State Centre (IEI-ASC), observed World Standards Day 2026 on 14 October 2026 at 05:30 PM at the New Auditorium, Annexe Building, Panbazar, Guwahati.

The programme was presided over by Er. Bhaben Kalita, FIE, Chairman of IEI-ASC. The welcome address was delivered by Er. Gokul Bhuyan, FIE, Honorary Secretary of the Centre.

The distinguished speaker, Prof. (Dr.) Sharad Bhaurao Gokhale, FIE, Department of Civil Engineering, Indian Institute of Technology Guwahati, delivered a presentation on the theme, "Shared Vision for a Better World: Spotlight on SDG 7 – Affordable and Clean Energy." He explained the significance of World Standards Day and highlighted the importance of standards in advancing sustainable development, particularly in the area of affordable and clean energy.

His presentation underscored the role of standardisation in promoting quality, safety, reliability, energy efficiency and innovation, while contributing to collective efforts to achieve Sustainable Development Goal 7. He also emphasised the importance of developing sustainable energy systems and making clean, reliable and affordable energy accessible to all sections of society. Dr. S. K. Kakoty, former Chairman of IEI-ASC, felicitated the distinguished speaker. Er. Dilip Sarmah, Member of IEI-ASC, introduced the speaker to the audience.

The presentation was followed by an engaging interactive session in which participants exchanged views and raised relevant questions, adding to the value of the programme. In his concluding remarks, the Chairman summarised the key points of the presentation and observed that standards are essential for building public trust in engineering and scientific development, as well as for ensuring safety and security.

The programme concluded with a formal vote of thanks proposed by Er. Suradas Bhattacharjee, MIE, Joint Honorary Secretary, IEI-ASC.

IX. ANNUAL AWARDS:

1. Satyendra Sarma Memorial Award: On the occasion of 68th Foundation Day and 20th Hari Prasad Barua Memorial Lecture held on 28th November 2025, Dr. Vimal Katiyar Professor, Department of Chemical Engineering, Indian Institute of Technology, Guwahati, Guest Speaker of the celebration presented the 31st Satyendra Sarma Memorial Award to Mr. Soumodeep Biswash from Department of Electronics and Telecommunication Engineering of Barak Valley Engineering College, Karimganj as the Best Engineering Graduate of Assam Science &

Technology University for the year 2025. It may be mentioned that the Award was instituted by the Centre in the year 1996 at the instance of Shri Jitendra Nath Sarma and Mrs. Mrinalini Sarma in memory of their eldest son Satyendra Sarma.

2. Gokul Chandra Goswami Memorial Award: The Institution of Engineers (India), Assam State Centre presents this annual award in memory of Late Gokul Chandra Goswami to the best Electrical Engineering Graduate every year. Dr. Vimal Katiyar Professor, Department of Chemical Engineering, Indian Institute of Technology, Guwahati, Guest Speaker presented the 23rd Gokul Chandra Goswami Memorial Award to Md. Sahil Akhtar from Department of Electrical Engineering of Bineswar Brahma Engineering College, Kokrajhar as Best Electrical Engineering Graduate of Assam Science & Technology University for the year 2025 on the occasion of 68th Foundation Day and 20th Hari Prasad Barua Memorial lecture held on 28th November 2025.

X. FELICITATIONS:

On the occasion of 59th Engineers Day on 15th September 2026, the Centre selected for felicitation of 4(four) eminent engineers, who are senior fellows of The Institution of Engineers (India), Assam State Centre for their contribution in for the field of their professional domain. The felicitated eminent engineers were Dr. Sharad Bhaurao Gokhale FIE, Er. Monojit Mishra FIE, Er. Anirban Das FIE and Er. Dilip Sarma FIE.

XI. NEWS LETTER & SOUVENIR PUBLICATION:

The issues namely, New Year issue on 30th December 2025, World Water Day issue on 22nd March 2026, World Environment Day Issue on 5th June 2026 and Engineers' Day issue on 15th September 2026 have been published during the tenure of last year. The next New Year issue will be published on 30th December 2026. Contributions in the form of short technical articles, report on activities, humor etc. can be sent to the Editorial Board for publication in the News Letter.

The IEI-ASC published one SOUVENIR on the occasion of World Water Day held on 22nd March 2026. It is worth mentioning here that the Souvenir published was on ISBN Publication.

XII. FACILITIES TO THE MEMBERS:

1. Library cum documentation centre: Providing facilities of library to members is one of the objectives of this Centre. The library has several references books, textbooks and selected journals of different engineering disciplines.

2. Guest House Facility: The Centre Guest House has with 2(two) numbers of AC Suite, 4(four) numbers of AC double bedded deluxe rooms and 1(one) number of double bedded non-AC room.

XIII. INDIAN ENGINEERING CONGRESS:

The Indian Engineering Congress (IEC) is the flagship annual event of the Institution of Engineers (India) [IEI], the largest multidisciplinary professional body of engineers in the country. The

Congress serves as a premier platform for bringing together engineering professionals, academicians, industry leaders, policymakers, researchers, and other stakeholders to deliberate on emerging issues, contemporary trends, and innovative solutions shaping the engineering landscape in India and across the globe.

The primary objectives of the Indian Engineering Congress are to promote engineering excellence, foster innovation and research, encourage interdisciplinary collaboration, support national development goals, recognise outstanding contributions of engineers and institutions through awards and honours, and facilitate professional networking.

The 40th Indian Engineering Congress was hosted by the Durgapur Local Centre of the Institution of Engineers (India) under the aegis of the West Bengal State Centre. The Congress was held from 19th to 21st December 2025 at the premises of the National Institute of Technology (NIT), Durgapur. The theme of the Congress was "Innovative Engineering Solutions for Viksit Bharat @2047."

The three-day Congress featured a wide range of academic, professional, and cultural programmes. Key highlights included the Inaugural Session, the 68th Sir Mokshagundam Visvesvaraya Memorial Lecture, along with seven other Memorial Lectures, Glimpses of Engineering Personalities, IEI Industry Excellence Award, IEI Engineering Education Excellence Award, International Meet, IEI Alumni Meet, Women Engineers' Meet, Prize Distribution Ceremony, Technical Exhibition, Cultural Programme, and the 106th Annual General Meeting (AGM) of IEI. In addition, several technical papers aligned with the focal theme were presented during the plenary sessions, contributing to rich technical deliberations and knowledge exchange. The memorial lectures, mostly dedicated to Viksit Bharat@2047, were delivered by the following luminaries-

Mr. Kishore Kumar (Aarvee Engineers & Consultants Ltd.) ; Mr. Satish Jha (Eastern Coalfield Ltd.) ; Mr Sanjeev Singh (Reliance Ind., Group President, Former Chairman of IOCL); Mr S. Subbaraj (Steel Alloy Plant, SAIL) :Col. Lt. Rajneesh Kapur; Prof. Indraneel Manna (VC, BIT Mesra, former IIT Kanpur Director); Prof. Tapas Chakraborty (VC, Maulana Abul Kalam University); and Mr Praveen Kumar (DFC);

During the 106th Annual General Meeting, Er. Manish Mahendra Kothari, FIE (Maharashtra) assumed office as the President of the Institution of Engineers (India) for the session 2025-26, succeeding the outgoing President Er. V. B. Singh, FIE.

The Assam State Centre of IEI was represented by a strong contingent comprising of 11(eleven) corporate members and 2 (two) spouses of corporate members namely Er. Bhaben Kalita, Chairman-cum-Council Member; Er. Mahesh Barkataki; Er. Gajendra Nath Khound; Er. Nuruzzaman; Er. Subha Brata Sarmah; Er. Dr. Sharad Bhaurao Gokhale; Er. Monojit Mishra; Er. Jayanta Kr. Medhi; Er. Dilip Sarmah; Er. Jatin Bordoloi; Er. Suradas Bhattacharjee, Joint Honorary Secretary; Ms. Shanta Khound,w/o Er. Gajendra Nath Khound;; and Ms. Reena Kalita, w/o Er. Bhaben Kalita. The participation of the Assam State Centre members contributed significantly to the success of the Congress and strengthened inter-state professional collaboration.

The 40th Indian Engineering Congress proved to be a highly enriching and forward-looking platform, fostering meaningful dialogue on innovative engineering solutions aligned with the national vision of Viksit Bharat @2047. The diverse technical deliberations, memorial lectures, exhibitions, and interactive sessions reinforced the pivotal role of engineers in driving sustainable development, technological advancement, and nation-building. The active participation of delegates from across the country, including the Assam State Centre, reflected the collective commitment of the engineering fraternity towards professional excellence, innovation, and collaborative growth. The Congress successfully strengthened professional bonds, inspired young and seasoned engineers alike, and reaffirmed the Institution of Engineers (India) as a key catalyst in shaping India's engineering future.

XIV. ACKNOWLEDGEMENT:

The Committee wishes to place on record its deep sense of gratitude and appreciation to the members of the Assam State Centre, the Industrial Research Establishments, Professional and Academic Institutions, members of the various Organizations, the Govt. of Assam, the Press and Electronic media including All India Radio and Doordarshan Kendra, Guwahati for the continued support and co-operation in fostering activities and motivating to meet the objectives of the Institution.

The Committee also offer thanks and gratitude to the various sub-committees and Organising Committees formed time to time to achieve various targets, specially Editorial Board of News Letter and Special Invitees to various State Committee meeting.

ANNEXURE- II

INDEPENDENT AUDITOR'S REPORT

To

The Members

The Institution of Engineers (India) Assam State/Local Centre

Report on the Financial Statements**Opinion**

We have audited the accompanying financial statements of **The Institution of Engineers (India) Assam State/Local Centre** ("the Institution"), which comprise the Balance Sheet as at 31st March, 2026 signed by us under reference to this report and the related Income and Expenditure Account and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'financial statement') [in which have been incorporated the returns /accounts received from the various Local Centres of the Institution for the year ended 31st March, 2026 as audited by other auditors and which have been relied upon by us].

[Signature]
Chairman,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements of the Institution give the information in accordance with the generally accepted accounting principles and the applicable Accounting Standards issued by the Institute of Chartered Accountants of India and read with the Other Matters paragraph below, give a true and fair view of the state of affairs of the Institution as at March 31, 2026 its surplus/(deficit) and its cash flows for the year ended on that date.

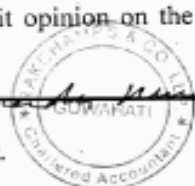

[Signature]
Honorary Secretary,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SA) issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Institution in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Head Office : Kandivali -West, Mumbai.

Other Branch Office : Bengaluru, Delhi, Bhopal, Hardwar, Udupi, Patna, Lucknow etc.

Management's Responsibility for the Financial Statements

The Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and result of operation of the Institution in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the Institution and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Institution's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Institution or to cease operations, or has no realistic alternative but to do so.

The management of the Institution is responsible for overseeing the Institution's financial reporting process.

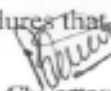

Auditor's Responsibilities for the Audit of the Financial Statements

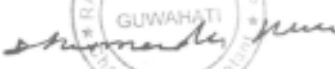

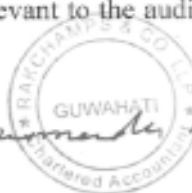

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

Chairman,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

Honorary Secretary,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institution's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Institution to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the Institution to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Institution of which we are the independent auditors. For the financial statements of the branches incorporated in these financial statements which has been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the result of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

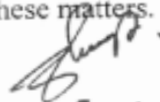

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

Disclosure on other matters has been reported in the Annexure-III annexed herewith along with other observation stated below. Our opinion is not modified in respect of these matters.

Chairman,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

Honorary Secretary,
The Institution of Engineers (India)
Assam State Centre : Guwahati.

We further report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit;
2. In our opinion proper books of accounts as required by law have been kept by the Institution so far as appears from our examination of those books;
3. The Balance Sheet, the Statement of Income and Expenditure and the Cash Flow Statement dealt with in this Report are in agreement with the books of account.
4. We further report that according to the information and explanation given to us:
 - i. The Institution has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Institution did not have any long-term contracts including derivative contracts for which there may be any material foreseeable losses.

Brief about the Centre

NOTE-1

The Assam State Centre (ASC) of IEI took its birth during the 409th Meeting of the Council held at Shillong on 28th November, 1958. In post independent India, Assam and other states of North East also joined the rest of the country in its journey towards creating a modern and technological society. With a modest beginning with less than a hundred Corporate members in 1959, this Centre today has 11,401 members including 2625 Corporate members and is the hub of technical activities in the entire region. The Assam State Centre has its own Library, Information Centre, Well-equipped Auditorium, Golden Jubilee Lecture Theatre, Conference Hall, Guest House. ASC has two Local Centre located at Upper Assam and Silchar.

Notes forming part of the Financial Statements for the year ended 31st March, 2026

NOTE-2**I. ACCOUNTING POLICIES, PRACTICES AND NOTES TO ACCOUNTS:****1. Basis of Accounting**

The financial statements of The Institution of Engineers (India), Assam State Centre have been prepared under the historical cost convention and on the accrual basis of accounting unless otherwise stated. The accounts are prepared in accordance with generally accepted accounting principles applicable in India and the relevant provisions governing the activities of the Institution.

2. Revenue Recognition

a) Subscription fees, membership fees, seminar fees, training programme receipts, donations, sponsorship receipts and other income are accounted for on accrual basis wherever realizable.

(b) Interest income from savings bank accounts, fixed deposits and other investments is recognized on accrual basis.

(c) Grant and donations received for specific purposes are accounted for under the respective fund heads and recognized in accordance with the terms and conditions attached thereto.

(d) Income received in advance relating to subsequent accounting periods is treated as liability.

3. Investments

Investments are stated at cost. Provision for diminution in value is made only if such decline is considered permanent in nature.

II. CONTINGENT LIABILITIES:

Contingent liabilities, if any, are disclosed by way of notes to accounts.
